

Your window to tap into global BankTech and FinTech

Not many know FinTech the way we do. Brainchild of the Cedar-IBSi group, since 2017, the Cedar-IBSi FinTech Lab has been home to global technology companies, who have used membership benefits to learn, partner, and accelerate.

Cedar-IBSi FinTech Lab

The lab is the brainchild of the Cedar-IBSi group, consisting of Forbes-listed global strategy consulting firm **Cedar Management Consulting** and the world's only pure-play Financial Technology research, advisory, and media firm **IBS Intelligence**.

Since 2017, the Cedar-IBSi FinTech Lab is a dynamic platform offering global FinTechs a “soft-landing” opportunity into the MENA and Indian market.

\$910mn+ successfully raised by past and current lab members!
